*includes "club" cheerleading and dance team if their activities include performing during the varsity team 's scheduled games.

COVERAGE PROVIDED

Coverage is excess of any and all primary health insurance including dental and vision.

- \$90,000 maximum benefit per injury
- Pays reasonable and customary
- Reimbursement of co-pays with receipt
- Coverage will pay benefits for related medical expenses incurred within 104 weeks from the date of the injury
- AD&D of \$250,000
- Catastrophic Cash Benefit of \$250,000

CLAIMS PROCESS

It is the student's responsibility to immediately notify a trainer, coach or AD of an injury, no matter how minor. Failure to promptly report an injury by may result in your claim being denied.

All medical expenses must be submitted to your health insurance first. Upon receipt of medical bills with balances, bring the bills along with the corresponding EOB's (explanation of benefits) to your AD for processing. **No payments will be made by the University's insurer without an itemized bill and EOB.**

**** If you have NO PRIMARY HEALTH INSURANCE , you must complete an AFFIDAVIT OF NO INSURANCE and have it NOTARIZED ****
